

GIRTON COLLEGE
CAMBRIDGE

2025 Postgraduate Q&A Sessions

As part of Girton's 2025 Postgraduate Induction Programme, we are offering a series of pre-term online webinars which will deal with key themes relevant to student life at the college. You will meet members of Girton's administrative and postgraduate student teams and there will be an open question and answer session built into each event. Each week will cover a specific theme as outlined below. You may attend as many of these as you wish. They will be in the form of a Zoom webinar running from 12 noon to 1 pm (UTC+1) on each of the days listed. A registration email will be sent out. Add the dates to your diaries and we'll see you there!
